Dear Members:

Please review the following schedule and let me know if your contact information needs to be corrected or if you have planned vacation or other scheduled events in conflict with your assigned work assignment; I will make every effort to change the schedule to accommodate your needs. In the event you cannot make it to your assignment due to unforeseen events, please contact your team leader AND use the following list to contact another member to trade dates or otherwise cover your absence. (Note: Although we have no designated "Substitutes" at this time, I will prepare a list of "Subs" as we acquire new members through the coming months.)

I'm looking forward to a great year as your new Field Maintenance Director! Please feel free to contact me if you have any cares or concerns regarding this schedule.

Best regards,
